

MARC Meeting October 1sr 2020

Lee KC8ITI brought the repeater meeting to order at 7:30pm with 25 members checking into the net. The Salvation Army Building is still at a level C and is unavailable for use at this time.

Please bring any corrections or additions to the minutes to the attention of the secretary Linda KC8MUD.

EC/RO Report- Jack K8GTG- There is a statewide two meter simplex exercise practicing message passing coming up on October 10th. On November 5th the Ares club will hold a zoom meeting. More details to come.

VE Testing-Dennis N8ERF- Next VE session is on October 17th. Dennis also gave us a generator status up-date.

Repeater and Tower update- John W8QN- Hospital packet system may start up again.

Proposal-Lee KC8ITI- The FCC is open for comments in regards to MD Docket 20-270 Fees for amateur licenses. Lee also mentioned the band plan proposals.

Statewide SET- Max KE8DON- Max told about the statewide SET coming October 10th and also mentioned two other MARS exercises.

NET Controls:	10/8/2020	John W8QN
	10/15/2020	Steve W8AY
	10/22/2020	Max KE8DON
	10/29/2020	Paul N8GEM

Respectfully submitted,
Linda KC8MUD
MARC Secretary
