

MARC July 1st, 2021

The meeting was brought to order at our new facility by Lee KC8ITI at 7:35 pm. Our meetings are now being held at the Sunrise Church of Midland at 2138 Jefferson. There will also be on-line meetings held from the new facility. Also thank-you to Dave N4DBR for offering this great facility for us to use.

Introductions were made.

The meeting minutes are published in the club web page under current news. Please bring any corrections or additions to the secretary Linda KC8MUD.

EC/RO Report- Jack- K8GTG- Be aware of extra traffic due to the Great Lakes Gulf Tournament. Have a safe Fourth of July weekend. The Dow Run/Walk has been scheduled for September 18th.

Treasurer's Report- Lee KC8ITI- Thank-you to all those member's who have renewed their dues for the year.

VE Testing- Dennis N8ERF- There was no testing session in June, the next session is on July 10th.

School Clubs- Dennis N8ERF- Due to restrictions communications clubs in the High School , Jefferson and N.E. schools are uncertain at this time. More information to come. There may be a tower party at the high school yet this summer to check for any damage or wear. More info to come.

State Level Max KD8DON - As the state opens up more practice events and AUXCOMM trainings are being planned. Also a fall exercise traffic handling training plus others are being planned.

Repeater Tower-John W8QN- Noise from the repeater tower has been fixed. John needs to be reimbursed for his expenses. Lee made a motion to repay John 76.32 dollars. Dennis N8ERF seconded. Motion passed.

Training- Dennis N8ERF- Dennis is starting traffic passing training. More people should learn the correct procedures in passing and receiving traffic. Classes will be held at the new facility at the Sunrise Church and will start August 5th at 6:00 pm.

Discussion- John W8QN - John is continuing to work at the repeater site, a short repeater discussion followed.

Swap- Lee KC8ITI- Possibility of holding Swap here at this church facility or in the parking lot. Discussion followed.

Jack K8GTG- Discussion on how hams can help with local events.

Field Day Report-Lee KC8ITI- Members discussed field day and reported on how many contacts they made.

SOS Dirty Dog Run- Lee KC8ITI- A sign-up sheet will be passed around next month for those of you who would like to participate in this event. The day is set for August 28th at the Midland City Forest.

Dow Run/Walk- Lee KC8ITI- A sign-up sheet will be passed around at the next meeting for those of you who would like to participate in this important event.

Programs- Lee-KC8ITI- If you have a topic for a program you would like to learn more about or would like to present a program to the club please let Lee know.

Thursday Public Service Nets:

Net Controls:	July 8 th	Kanushi KE8RNA
	July 15 th	Chris KB8UIH
	July 22 nd	Jack K8GTG
	July 29 th	Max KD8DON

A motion was made to adjourn made by Larry N8CGP
Seconded by Stan K6VWE.

The meeting ended at 8:35 pm.

Respectfully submitted,
Linda KC8MUD Secretary
