

MARC Minutes Nov. 2nd 2023

The meeting was brought to order by Dennis N8ERF at 730 pm with 11 members present and 2 on the free conference call. The meeting took place at the Salvation Army Building. Introductions were made and a sign-in sheet was passed around.

Dennis N8ERF made a motion on the floor to approve the October minutes, the motion passed.

Treasurer's report- John W8QN- Thank-you to all those who have renewed their dues. Nothing new to report.

Repeater Report- John W8QN- Nothing new to report at the repeater site.

School Club- Dennis N8ERF- The Electronics Club at the High School is doing very well. Students are engaged and having fun.

Old Business- Dennis N8ERF- A motion made by Dennis N8ERF on the floor to sell all the tubes, that they are not needed. A lot of discussion followed. Mike KD8HMM has offered to take the tubes to an auction that he attends and sell them there. The motion was amended to sell the tubes at auction and passed.

New Rule - Chris KB8UIH- Chris made comments on a FCC rule about Digital Modes.

VE Session- Dennis N8ERF- There is a VE session at the Homer Township Hall Fire Barn on Sat. November 11th.

Saginaw Club- Mike KD8HMM- Mike announced that there has been two deaths in the Saginaw club. The Saginaw Club will also be participating in the Santa Gram Program at the Children's Zoo on Friday, November 18th and at the Castle Museum on Saturday, November 19th. If you can help with this event on either of these dates please contact Mike.

Presentation- Lee KC8ITI- Lee's Presentation was all about his Time Domain Reflectometer. He told how he built it and how it works. Questions and discussion followed.

A motion to adjourn was made by Dennis N8ERF
Seconded by Max KE8DON, Passed

The meeting ended at 8:33 pm

Respectfully Submitted
