New Business- Dennis N8ERF- A discussion about the Bylaw changes that were put on the back burner in 2020 was had. Some items needed to be changed because currently there is no paper newsletter being sent to members. A motion was made by Will K8VFO to make those changes and seconded by Lee KC8ITI.

Presentation- Jack K8GTG- Jack asked the members to bring old, vintage and interesting items that have been stored away to bring and share with the group. Home brew equipment, a working instant camera, movie props, an antique coder and more were all fun to see. Great idea, I hope we do that again.
