

MARC Meeting March 2nd 2025

Dennis N8ERF brought the meeting to order at 7:30 pm with seventeen members and guests present and three remotely. A sign-in sheet was passed around and introductions were made.

A motion was made by Ric KD0RMK to approve the minutes, seconded by Lee KC8ITI. Passed

Treasurer's Report- John W8QN- Thank-you to all those members who have renewed their club dues.

School Clubs- Dennis N8ERF- May 3rd has been set for the Middle School Club's Balloon launch. Dennis also told about doing a presentation to several science club.

Ares/Races Report- Ric KD0RMK- Ric relayed information about up-coming trainings. Weather watch training will be in Bay County on April 9th. The location has yet to be determined.

Saginaw Club- Mike KD8HMM- Their meetings are on the first Friday of the month at the Harry Brown Airport. Their next presentation is all about POTA. (Parks on the Air). They are asking for help with the MS Walk in Frankenmuth taking place on May 10th.

Swap- Lee KC8ITI- The Swap is on June 14th at the Salvation Army Building. Fliers are available on the club Web-Site. Also the Cadillac Swap in May 3rd.

VE Sessions- Dennis N8ERF- There will be a VE Testing Session at the Law Enforcement Center on Sunday, March 23rd.

Dow Run- Chris KB8UIH- Chris is looking for volunteers for the Midland Dow Run taking place on Saturday, June 7th. Please contact Chris to help out with this worthwhile cause.

Kanushi KE8RNA- Kanushi is exploring the idea of becoming becoming a Section Youth Coordinator. Congratulations Kanushi.

Presentation, Paul Moribito K8PLM- Paul gave an interesting talk on Michigan Repeaters, their reach and the what it takes takes to keep them working. And also how some of them are linked. Thank you Paul for that information.

A lengthy discussion followed.

Larry made a motion to end the meeting.

Seconded by John W8QN.

The meeting ended at 9:00 pm.

Respectfully Submitted,

Linda KC8MUD

MARC Secretary
